ACCESS YES!—A Landowner/Sportsmen Program

The Department of Fish and Game, with assistance from the Fish and Game Advisory Committee and the Department of Agriculture, has implemented a private lands access program called "Access Yes! The program compensates willing landowners for providing fishing and hunting access for sportsmen. For more information contact your nearest Fish & Game office.

**LANDOWNER
SPORTSMAN**

**See page 3, "Land and Applicant Registration."
SEPARATE REGISTRATION REQUIRED**

The information contained in this brochure summarizes the rules pertaining to Landowner Appreciation Permits for the taking of deer, elk and antelope. The official rules are available from the Division of Statewide Administrative Rules, Department of Administration, Statehouse Mail, Boise, ID 83720, and may be reviewed in some libraries. Refer to the Game Management Unit boundary descriptions and controlled hunt area descriptions in the Annual Big Game Seasons brochure for legal boundaries.

LANDOWNER APPRECIATION PERMIT APPLICATION

This application must include your first choice hunt number, the correct fees, and your land registration number.

Registered Landowner: _____ Land Registration No. _____

Changes in LANDS and/or APPLICANT'S eligibility require that a new registration form be filed.

Costs associated with this publication are available from IDFG in accordance with Section 60-202, Idaho Code. 5-06/1500/41918

Rules and Applications

Land and Applicant Registration

Landowners must register their land before they apply for Landowner Appreciation Permits. They only have to register their land once, but if their land eligibility changes in future years, they must re-register.

Land registration must be submitted on a form provided by IDFG. Along with it, the landowner must provide to IDFG a copy of the deed(s) bearing the name(s) of the owner(s), and the most recent tax assessment(s), and a map of the eligible property. IDFG will certify the registration and land description and return a copy to the landowner.

Eligibility Rules

Property: To be eligible, property must be at least 640 acres of land in one controlled hunt unit whether owned by one or more persons, a partnership, or corporation. It shall not include any government lands.

Landowners will only be eligible to apply for controlled hunts occurring where the registered property is located (see controlled hunt area descriptions in the Big Game Seasons brochure).

Only property that is used by and provides significant habitat values for deer, elk or pronghorn qualifies for the Landowner Appreciation Permit program. Landowners may receive a permit only for the species that use the property.

Only 1 Landowner Appreciation Permit per species may be issued for eligible property consisting of between 640 and 4,999 acres. One additional permit may be issued to a landowner or designated agent for eligible property of 5,000 acres or more. No landowner or designated agent is eligible to receive more than 1 permit for 1 species in a calendar year. No more than 2 Landowner Appreciation Permits may be issued to any eligible landowner.

If more than 1 application is received for eligible property consisting of 640 to 4,999 acres, all applications will be disqualified. If more than 2 applications are received for eligible property consisting of 5,000 acres or more, all applications will be disqualified.

A successful landowner, corporate or partnership representative drawing a Landowner Appreciation Permit may, without additional fees, designate to whom the permit will be issued. If the designee already has a general season tag for the species drawn, they will need to exchange the tag for the designated Landowner Appreciation Permit at a regional office. This exchange must take place prior to the opening season dates for which the general tag is valid. Exchanges requested after

the opening of a general season for which the general tag is valid for will not be allowed.

Applicants: Eligible applicants are limited to landowners listed on the Landowner Appreciation Registration Form.

“Landowner” is defined as any person or corporation whose name appears on a deed as the owner of eligible property or whose name appears as the purchaser on a contract for sale of eligible property.

“Authorized Corporate Representative” is defined as any shareholder in a corporation, designated in writing by the corporation as the eligible applicant, who is in actual physical control of the eligible property.

Requirements of Non-Landowner Applicants

Corporate / Partnership Representatives: If the person registering is an authorized corporate or partnership representative, he must submit with his registration *written verification* from the board of directors, partnership, or an officer of the corporation, other than himself, verifying that he is authorized to register the property and eligible applicants.

Hunt Areas and Permits

Landowner Appreciation Permits are made available for controlled hunt areas designated by IDFG.

See the 2006 Big Game Rules brochure for descriptions of hunt areas. Hunt areas may differ by species (e.g., deer, elk, pronghorn).

If there are more applicants than permits available in an area, successful applicants will be determined by drawing. Applications which are not drawn for the first choice hunt will automatically be entered into a second choice drawing provided the second choice hunt applied for has not been filled.

All big game rules apply to persons applying for, or hunting with, Landowner Appreciation Permits, except:

- You are eligible to apply for a Landowner Appreciation Permit even if you have applied for a moose, bighorn sheep, or mountain goat hunt.
- Landowner Appreciation Permit applicants for antlered deer and elk hunts are EXEMPT from the one-year waiting period after being drawn.

Motorized Vehicle Restriction

The use of motorized vehicles by hunters as an aid to hunting big game is restricted in certain areas. A full description of the rule can be found in IDAPA 13.01.08.411, 13.01.08.412, or the 2006 Big Game Seasons brochure. In summary, the rule states motor vehicle use as an aid to hunting for wildlife is restricted to established roadways open to motorized traffic capable of travel by full-sized automobiles. A full-size automobile shall be defined as any motorized vehicle with a gross weight in excess of 1500 pounds. Established roadways will be considered any roadway-dirt or better-showing signs of repeated use by full-sized vehicles and typically have depressed wheel tracks and minimal to no vegetation in the wheel tracks. Vehicle users can retrieve game, pack camps or ride for pleasure as long as they are in compliance with land manager or private landowner restrictions. The rule does not apply to private lands with permission from the landowner.

SEE 2006 BIG GAME SEASONS BROCHURE FOR
MOTORIZED VEHICLE RESTRICTIONS

Special Restrictions

Landowner Appreciation Permittees may hunt only within the boundaries described in the hunt area designated by IDFG.

- No person shall kill more than one deer, elk or pronghorn in a calendar year EXCEPT:
 - An additional deer, elk or pronghorn may be taken by persons holding permit/tags for special depredation hunts.
 - When an additional deer or elk is taken in an “extra” deer or elk hunt when the taker has a permit/tag for that hunt. See annual Big Game Seasons brochure.

- An additional deer or elk may be taken by residents who have purchased leftover nonresident deer or elk tags.
- An additional deer, elk, or pronghorn may be taken by persons holding a Super Hunt or Super Hunt Combo tag(s) for the given species.
- In no event shall any person take more deer, elk or pronghorn during a calendar year than the number of tags they legally possess for each species.
- Only valid, current-year deer, elk, or pronghorn tags may be used in conjunction with a Landowner Appreciation Permit.

Application Fees

Personal checks or money orders are acceptable.

The fee is \$6.25 for each application for each species for each permit. Successful applicants can purchase permits and tags at any hunting license vendor. Tag fees will not be accepted with applications.

Application Deadline: IDFG will accept applications on or after June 15. Applications received by July 15 will be entered in the random drawing for permits, which will be weighted to allow one chance for each 640 acres of eligible property to each applicant.

Application for leftover permits will be accepted on or after August 15 of each year on a first come, first served basis. Only written applications from registered landowners will be accepted and must be accompanied by a \$6.25 fee.

Successful applicants who apply by July 15 will be notified by mail no later than August 15. You can also review a list of successful applicants by contacting: License Section, Idaho Dept. of Fish and Game, P.O. Box 25, Boise, ID 83707 (208) 334 -3700.

------	-----------------	----	---	--

*This indicates the hunt includes other units or parts of other units.

Idaho, like other Western states is experiencing overall declines in mule deer populations, although in some areas, mule deer numbers are stable or increasing. Because mule deer hunting is so important in Idaho, Fish and Game is committing additional personnel and resources to improve habitat and increase mule deer numbers. The Idaho Mule Deer Initiative is a statewide effort, but particular effort will be made across south-central and southeast Idaho.

If you're interested in improving mule deer habitat on your land, please contact the nearest Fish & Game office. Cost-share funds are available for private land projects to benefit mule deer.
